Residor

## Introduction To Doors

Offering an extensive variety of high-quality uPVC, Timber, Aluminium and Composite doors, we're confident in helping you to find that front door to match your property's character.

With over 40 years of experience supplying and fitting doors across Surrey, you can trust us to successfully create and implement your dream door. Our range of doors are attractive, robust, low-maintenance, and will significantly improve the overall appearance of your home.

### Our range of doors

We utilise the highest grade of materials with any of our doors, along with the latest product technology. In partnership with some of the leading door manufacturers in the industry, we offer a wide range of doors.

The Residor logo consists of the word "Residor" in a white, sans-serif font, followed by a registered trademark symbol (®). It is set against a solid teal square background.

### **One of the most secure GRP Composite Doors at Sheerwater Glass**

**Residor is an affordable, quality foam core door, brought to you by the people who make *Solidor*.**

Most foam filled doors on the market are coated with a 1.6mm plastic skin, which offers low level security and fails to pass the most recent security regulations. Residor, on the other hand, has 3.6mm skin the complies with the most up to date PAS24:2016 security test guidelines.

Residor looks great and is available in a wide variety of styles, and because it's available in any colour, you can choose the perfect door for your home.

#### **Design and engineering**

Glass Reinforced Plastic Doors (GRP) are made by coating a foam slab with a tough plastic skin. At 3.6mm, Residor is more than twice as thick as the majority of GRP doors on the market.

#### **Ultion as standard**

As one of the most secure GRP composite doors you can buy, it boasts Ultion fitted locks as standard.

When it detects an attack, a hidden lock within the Ultion automatically engages, so that even when snapped twice, nothing gets past it. Leaving a key on the inside of the lock won't affect its performance either.

**Ultion has passed tests that even the finest 3 star locks can't achieve!**

## Residor Collection

Take a look at the Residor door ranges you will be able to choose from and customise. You can add a splash of colour with an Residor. You will be able to choose from six standard colour or **personalise your door with over 250 RAL colours.**
